Dear Dr. Rosario Perez:

I am writing on behalf of the Middle States Commission on Higher Education to inform you that on January 7, 2019, the Commission acted as follows:

To acknowledge receipt of the supplemental information report. To note that the report did not provide the requested evidence and was not conducive to Commission review.

To require the institution to show cause, by January 25, 2019, to demonstrate why its accreditation should not be withdrawn because of insufficient evidence that the institution is in compliance with Standard VI (Planning, Resources, and Institutional Improvement), Requirements of Affiliation 11 and 14, and the Related Entities Policy. To note that the institution remains accredited while on show cause. To note further that federal regulations limit the period during which an institution may be in non-compliance to two years.

To require a show cause report, due January 25, 2019, documenting evidence that the institution has achieved and can sustain ongoing compliance with the Commission's standards, requirements, policies and procedures, and federal compliance requirements. The show cause report must include evidence of

- (1) documented financial resources, funding base, and plans for financial development adequate to support its educational purposes and programs and to ensure financial stability (Standard VI and Requirement of Affiliation 11);
- (2) updated information on the impact of the Fiscal Oversight Management Board's plan and proposed restructuring on the institution's status and finances (Standard VI);
- (3) an annual independent audit confirming financial viability with evidence of follow-up on any concerns cited in the audit's accompanying management letter (Standard VI);
- (4) a record of responsible fiscal management, has a prepared budget for the current year, and undergoes an external financial audit on an annual basis (Standard VI and Requirement of Affiliation 11); and

(5) certification by the related entity that it recognizes the Commission's compliance requirements and will ensure that responsibilities of the related entity are fulfilled, including making freely available to the Commission accurate, fair, and complete information through disclosure of information required by the Commission to carry out its accrediting responsibilities (Related Entities Policy; Requirement of Affiliation 14).

To require that the institution complete and submit for approval, by January 25, 2019, a comprehensive, implementable teach-out plan (Teach-Out Plans and Agreements Policy and Procedures). In accordance with Commission policy and federal regulations, the teach-out plan must provide for the equitable treatment of students to complete their education, if the Commission were to withdraw accreditation, and include any signed, teach-out agreements that the institution has entered into or intends to enter into with another institution.

To direct an on-site show cause visit following submission of the report. The purpose of the on-site show cause visit is to verify the information provided in the show cause report and the institution's ongoing and sustainable compliance with the Commission's standards, requirements, policies and procedures, and federal compliance requirements.

To direct a prompt Commission liaison guidance visit to discuss the Commission's expectations.

To note that the institution will be invited to appear before the Commission when it meets to consider the institution's show cause report. The date of the next evaluation will be determined upon reaffirmation of accreditation.

This serves as the Commission's official notification of this action. This action appears on the institution's Statement of Accreditation Status (SAS). If any of the information contained within the action appears to be factually incorrect, please send an email within 30 calendar days of the action to [actions@msche.org](mailto:actions@msche.org).
