Dear HEERF Grantee,

The HEERF CARES Act Annual Report Data Collection Tool closed on February 8, 2021 and our records indicate that your institution **has submitted your HEERF Annual Report**. Thank you for your timely submission.

The U.S. Department of Education will be performing data quality reviews of the submitted data. The CARES Act Reporting Help Desk may reach out to you in mid-March to let you know if there are any data quality findings and to invite you, if needed to participate in a limited reopen period to update your submission. Additional information about the data quality and the limited reopen schedule will be forthcoming.

If you have questions about this mandatory data collection, please contact the CARES Act Reporting Help Desk. We are available from 8am – 6pm Eastern Standard Time.

Thank you,

The CARES Act Reporting Help Desk
