### MINORS IN ENGLISH

#### BEYOND THE OBVIOUS:

#### THE GATEWAY TO EXTENDED INTERPRETATIONS AND MEANINGS

What can students obtain from a minor in English? Reading "between the lines," with close attention to detail and discovering various interpretations of a text, is an enriching and fulfilling experience that meets your expectations! Your approach to English will experience an extraordinary transformation!

The Department of English at the University of Puerto Rico at Cayey offers two options for a minor in English: Literature and Linguistics/Language. A minor in English will enable students to "go beyond the obvious" to enhance literacy, critical thinking, analytical skills and strengthen communication and metacognitive skills related to language learning. Whether it is fiction or reality; theory or practice, completing a minor in English is the "gateway" to academic, professional, and personal achievement.

If you are interested in completing a minor in either of these areas, you are welcome to contact the Department of English at [jennie.merced1@upr.edu](mailto:jennie.merced1@upr.edu) or [nellie.vazquez1@upr.edu](mailto:nellie.vazquez1@upr.edu) for additional information and requirements.

The deadline to apply for a minor in English via the Registrar's office is March 16, 2021.
